Office of the Muzrai Commissioner in Mysore,

Dated, Bangalore, the 18th September 1923.

Bangalore.

GEN. & REV SECRETARIAT. 20 SEP 1923 MUZRAI 9358

87-28-1

GEN. & REV. SECTT. Br. To 20 SEP. 1923 SECTION

To

T. S. Jayarama Aiyar, Esq., B.A., B.L.,

Secretary to the Government of His Highness

the Maharaja of Mysore, Revenue Department,

Bangalore.

Sir,

I have the honor to forward herewith copy of letter C.R.97/28-2 dated 4th September 1923 together with its enclosures received from the Deputy Commissioner of the Mysore District, recommending the opening of a Veda Pathsala at Tirumakudlu in the T. Narsipur Taluk.

The Sub Division Officer's report dated 3rd August 1923 and the Deputy Commissioner's letters explain fully the necessity for opening the proposed school and there is scarcely anything more to add. - Tirumakudlu is one of the important places of pilgrimage in the State, and the opening of a Vedic Pathsala there will be only in keeping with its importance and sanctity.

2. The Deputy Commissioner proposes that the cost of the Pathsala be met from the accumulated savings at the credit of the institution during the first year, after which period he would report the matter in which its maintenance may be permanently financed.

In this connection, I beg to state that a portion of the income earnings of the General Muzrai Fund, viz., Rs.2,455-10-0 has been set apart / marked for the establishment of a few central schools for teaching the meaning and method of temple worship (vide Government Order No.1100-1 M.F.599-18-2 dated 28th September 1919). So far only one Agama school for teaching Pancharatra and Vaikhanasa Agamas has been opened and

located in the Maharaja's Sanskrit College.

Though the temple of Sri Arasutheswaraswami is reported to have a cash balance of Rs.9,600/- and odd (according to the Taluk accounts) yet the calls upon its funds are many as 12 other institutions have been treated as subsidiary to it.

Moreover, many of the institutions situated in the T.Narsipur Taluk have contributed largely towards the corpus of the General Muzrai Fund.

5. For these reasons, I am of opinion that the cost of maintaining a Veda Patasala at Tirumakudlu at a moderate cost is a legitimate charge upon the interest-earnings of the fund, and I beg accordingly to recommend that the opening of a Veda Patasala for teaching Vedic recitation and Sahitya may be sanctioned tentatively for a year in the first -- instance, the charge being met as proposed. This and similar other institutions will act as feeders and will supply students to the larger Patasala opened in Mysore, where Agama in addition to Vedic Recitation and Sahitya is also taught.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

Letter No.C.97/23-24 dated 4th September 1923 from the Deputy Commissioner, Mysore District, to the Rural Commissioner in [illegible].

"I have the honor to state that the residents of Tirumal Cha[illegible] the T. Narsipur Taluk presented a petition on 5th April 1923, to the Amildar, praying for the opening of a vedic class in the Sangameshwareswaraswami temple at the place, with a view to have all young boys of the locality and the temple servants trained in Vedas and mantras required for daily temple worship, as such trained persons are not available.

2. The Amildar after discussing the above with the temple authorities, reports that the want of a Vedic class in the place is very keenly felt and that one requires to be opened at least as an experimental measure for one year at a cost of about Rs.3/- per mensem or Rs.130/- a year. As the present source of expenditure and the income of the temple are not sufficient, and as the expenditure, it is proposed by the Amildar to [illegible] of 33 temple servants at the rate of one anna, which is said to be Rs.8,664/- and odd, according to the Amildar's report. The [illegible] dars of the people were consulted in this matter and they [illegible] to this proposal and have also been about [illegible] their resolution in this behalf is enclosed. The Amildar [illegible] that there are plenty of students available, who can [illegible] undergoing the said Vedic training. A [illegible] is also said to be available for [illegible].

The Sub Division Officer, [illegible], expresses the necessity of a Vedic [illegible] and [illegible] temple for all time to [illegible] efficiency in future. [illegible] mer in Vedas and mantras [illegible] effort should be made to [illegible] generation.

I fully concur in the views [illegible] and strongly recommend the opening of a Vedic [illegible] a temporary measure, for one year at a cost of Rs.130/- being met as proposed above. [illegible]

end of the year, we shall be in a position to judge as to the continuance of the institution and the manner in which its maintenance may be permanently financed. For the present, I have no hesitation in stating from my personal inspection and knowledge of the place, that it is one which is eminently suited for the starting of a Vedic School. Such institutions now exist in Nanjangud, Chamarajanagar and Melkote. By its sanctity and situation at the confluence of the Cauvery and Kapila rivers, making it a popular place of pilgrimage for all classes of people, Tirumakudlu is, in my opinion, entitled to the recommendation now submitted in the matter of the establishment of a Vedic -- Patasala at the place. Kind sanction is accordingly requested to the proposals submitted herein.

The connected vernacular papers are submitted for perusal".
